WINTER FUN IN THE GREAT OUTDOORS

The White Mountains of New Hampshire offer an amazing variety of outdoor activities and attractions to suit every taste, age and every fitness level.

Skiing, snowboarding and Nordic skiing are what usually come to mind when winter sports are mentioned.

Both Cannon Mountain and Loon Mountain offer exciting opportunities for winter fun, and both are close by. Parking isn't an issue – leave your vehicle at the resort, and catch the shuttle to Loon. But the fun doesn't stop there!

Loon also offers Snow-Tubing for those who don't ski but who want to enjoy sliding down the mountain – great for the little ones as well! Tube rentals are required. Loon's Adventure Center also offers cross-country skiing and snowshoeing trails and rentals.

Guided snowshoe tours are also available for the snowshoer and cross country skier. Ice skating rent-

als are also available. Zipline rides are available Fridays, Saturdays and Sundays.

Winter hiking and snowshoeing trails are readily available, for every skill level. Snowshoeing is a great family sport, offering great exercise and "together" time. There are many trails that are great for both younger hiker or snowshoer and adults either trying it for the first time or getting back into it. Winter hiking can be challenging, so there are some trails best left for the experienced winter hiker.

New Hampshire has a great trail system for snowmobile enthusiasts. Lincoln offers a great base for day trips or as a stopover on a longer ride. Don't have your own machine? No problem – rentals are available.

Moose and wildlife watching, either on your own or with a guided tour with Pemi Valley Excursions, are usu-

ally best at dawn and dusk. If you're on your own, and you spot a moose, pull over carefully to safely watch them from inside your car – they are wild animals, and can be unpredictable. They're also huge, so enjoy them at a distance; you'll be safe and the moose will probably stay around longer.

If you want to venture further afield you could drive over the Kancamashus to North Conway's outlet shopping. Santa's Village, located in Jefferson, opens weekends during the holiday season. Your little ones will enjoy a visit to the North Pole for the rides (yes, there are rides – weather permitting!) and a visit with Santa and Mrs. Claus. Remember to dress warmly!

LOCAL DINING

The Lincoln-Woodstock area offers a wide variety of fine restaurants to choose from. From fine dining to fast food, we have what you're looking for.

Restaurants serving breakfast include The Clement Room at the Woodstock Inn, Indian Head Profile Room, Polly's Pancake House

(Sugar Hill), The Texas Toast Eatery, McDonald's, Wilderness Inn, and Woodward's Resort.

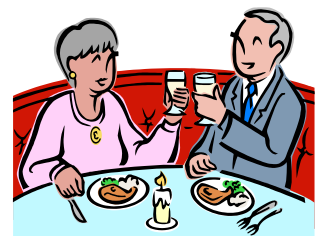

For lunch try The Gypsy Café, Enzo's Pizzeria & Restaurant, El Greco's Pizza, Gordi's Fish & Steak House, Polly's Pancake House, Pig's Ear BBQ (Texas Toast Eatery), Woodstock Station, McDonald's, Indian

Head's Thunderbird Bar & Grille, Subway, Stacks (roast beef sandwiches) and more.

Dinner choices include the Common Man, Black Diamond Bar & Grill at the Mountain Club, Café Lafayette Dinner Train, Woodward's Resort, The Sunset Room, Woodstock Station, Sugar Hill Inn, El Charro Mexican

Restaurant and Gordi's.

We also have fine Chinese restaurants, including Cheng Gardens and Imperial Palace, as well as Mexican eateries.
